

Programs: ●德●智●体●美●劳●

Our exceptional Chinese Summer programs provide a fun-filled experience that takes advantage of the fact children learn by doing. Songs, Crafts, games, visuals and more are used to develop children understanding and confidence in speaking Chinese. We offer weekly enrollment with different themes each week, to provide flexibility for your summer plans.

●Practical Chinese:

Using our special happy learning skill, Children(Adult) will learn Chinese each day and practice all the time.

●Culture

Children(Adult) will learn cultural from dancing, sing or games and will reinforce the language knowledge almost each day!

●Story telling and hand writing:

Being able to use the learned concepts is the most important part of language learning. This session will give children the opportunity to practice, to read and to write. To create some related topics.
